## REPORT OF THE TRUSTEES.

---

The Trustees of ST. LUKE'S HOME FOR CONVALESCENTS present to its friends and the public the thirteenth Annual Report of its condition and charitable work, together with the Reports of the Chaplain, Secretary of the Lady Associates, the Physicians in charge, the Treasurer's Account, and a detailed Statement of the Subscriptions and Donations.

The Treasurer's Account shows a total of receipts in Donations, Miscellaneous Offerings and Annual Subscriptions of \$6610.89, against \$6999.16 in 1883. The expenses amounted to \$7651.62. The Permanent Fund has been further increased \$2000, through payment of the legacy of Mrs. Lucy Chickering, and amounts, with the Nabby Joy Fund, to \$16,156.

The aggregate of Subscriptions and Donations is about the same as last year, while the income from investments has increased, but the offerings from Churches have considerably fallen off. The Hospital Maintenance has been less, with an increased number of patients, so that the final result of the year's work would have been favorable but for the expense of repairing and finally rebuilding the retaining wall on the north side of the lot.

During the past summer this rear wall, which had become insecure, and a cause of complaint on the part of the abutters, was entirely taken down, relaid and capped in a very thorough manner, at the same time greatly improving that portion of the property, as well as defining our boundary and improving the drainage. The expense

was necessarily heavy, amounting in all to \$1304.30, involving a debt of \$800, which must be provided for.

Although there is the sum of \$293.55 in the Treasury, the Hospital Expenses for October (about \$500) must be paid at the close of the month.

The Home building, though in good outside repair, needs certain things done inside, had the Trustees the necessary funds.

It behooves the friends of the Home not only to maintain it liberally, and increase its work, but to enlarge its endowment, so that the constant strain of anxiety as to its maintenance may be taken from the Treasurer.

F. C. FOSTER,  
*Secretary.*

## REPORT OF THE LADY ASSOCIATES.

---

The life at the Home has been a very quiet one during the past year. With the exception of the last two months the beds have all been full, and with a class of persons who feel that they have gained great benefit by their sojourn at the Home. All the holidays have been observed by the patients, and entertainments appropriate to the occasion have been given. Our Donation Day of 1883 was a great success; it brought together old friends and attracted many new ones, who enjoyed, with the ladies, the airy and comfortable quarters provided for the sick. One especial pleasure enjoyed by the patients was the many beautiful flowers that have brightened up the wards and have given good cheer to every one. With the money made on Donation Day the ladies have purchased a large furnace, double windows for the Chapel, and many minor articles, which have added greatly to the convenience of the Home. One of the greatest improvements of the year is the new stone wall erected by the Trustees at the back of the grounds. This has removed from sight many objectionable features of the adjoining estates. The ladies all agree that the past year for the Home has been one of much prosperity; and knowing full well what a good work is being done, they will make every effort to have the coming year more successful than the last.

H. C. HASBROUCK,

*Secretary.*

## CHAPLAIN'S REPORT.

---

*To the Trustees of St. Luke's Home for Convalescents, Roxbury:*

The undersigned, as acting Chaplain of the Home, makes the following report: —

During the year one person has been baptized and two confirmed. There have been services Sunday afternoons, and, in Lent, on Wednesdays. The Holy Communion has been celebrated monthly. Frequent visits have been made among the patients, and instruction and comfort given.

It is with joy and thankfulness that the Chaplain reports that during the past year he has had many instances of the blessed work done by the Home. And it is the cause of great sorrow that his connection with the Home was brought to an end by his removal from the Diocese.

Respectfully yours,

JAMES E. WILKINSON.

Rome, N. Y., Oct. 15, 1884.
